

## Federal Asset Forfeitures

### DESCRIPTION OF MAJOR SERVICES

In 1984, Congress enacted the Comprehensive Crime Control Act, which gave federal prosecutors new forfeiture provisions to combat crime. Also created by this legislation was the Department of Justice Assets Forfeiture Fund (AFF). The proceeds from the sale of forfeited assets such as real property, vehicles, businesses, financial instruments, vessels, aircraft and jewelry are deposited into the AFF and are subsequently used to further law enforcement initiatives.

Under the Equitable Sharing Program, the proceeds from sales are often shared with the state and local enforcement agencies that participated in the investigation, which led to the seizure of the assets. This important program enhances law enforcement cooperation between state/local agencies and federal agencies. This budget unit represents federal asset forfeitures processed by the District Attorney's Asset Forfeiture unit. The U.S. Department of Justice sets forth the terms by which law enforcements may use these funds.

A portion of these funds will be transferred to the District Attorney's criminal budget unit for Asset Forfeiture unit operating expenses in 2007-08 and safety equipment according to the terms set forth by the U.S. Department of Justice.

There is no staffing associated with this budget unit.
